EdChoice Scholarship Program Steps to Apply

1

Eligibility: Your child is eligible for an EdChoice scholarship if they are assigned to, attending or entering a school on the list of EdChoice designated public schools.

The scholarship covers tuition only; other school fees are the responsibility of the parent.

2

Select a participating private school: Review the list of participating private schools, visit the ones that interest you and select the one you would like your child to attend. Be sure to always have a back-up school in mind, as classrooms have limited seating.

3

Apply to a participating private school: Complete the admissions process at the private school. Once your child is enrolled in the private school, the school can apply for the scholarship on your child's behalf. **Private schools have limited seats. Apply as soon as possible!**

4

Scholarship Deadline: The private school must submit the scholarship application before the scholarship application deadline.

Application Window Opens: February 1

Application Window Closes: The closing date is set by ODE on a yearly basis.

Scholarship applications are submitted by the participating private school on your behalf.

NOTE: Scholarship awards letters are mailed out by the Ohio Department of Education in August/September. Please contact your private school if you have questions about your application status.

2018-2019 EdChoice Scholarship Program Fact Sheet

WHAT IS OHIO'S EDUCATIONAL CHOICE SCHOLARSHIP PROGRAM?

The EdChoice Scholarship Program provides up to 60,000 state-funded scholarships to students who attend low-performing public school buildings. The scholarship must be used to attend private schools that meet requirements for program participation.

WHEN WILL EDCHOICE APPLICATIONS BE ACCEPTED?

The first application period begins **February 1 and ends April 30, 2018**. The second application period begins July 1 and ends July 31, 2018. Families must contact the participating private school and complete the enrollment/admission process for that school. Once students have been accepted for enrollment at a participating private school for fall 2018, they can then apply for an EdChoice Scholarship through the participating private school. Participating private schools can enter scholarship applications for students through the secure online application system.

WHO IS ELIGIBLE TO APPLY FOR EDCHOICE?

The following students are eligible to apply for an EdChoice scholarship:

- Students currently attending a designated public school in their resident district;
- Students attending a public school in their resident district who will be assigned to one of the designated public schools for the upcoming school year;
- Students currently attending a charter/community school whose assigned home school is a designated public school building;
- Students eligible to enter kindergarten for fall 2018 (and who will be age 5 by 1/1/2019) who would be assigned to one of the designated public schools; or
- Students enrolling in an Ohio school for the first time who would be assigned to one of the designated public schools for the upcoming school year.

Students who DO NOT meet any of the preceding eligibility criteria may still be eligible for the EdChoice "expansion" scholarship if they meet the following criteria:

- Student is eligible to enter kindergarten, first, second, third, fourth or fifth grade for fall 2018;
- Student does not live in the Cleveland Municipal School District; and
- Family household income is at or below 200 percent of the Federal Poverty Guidelines.

WHAT IS THE VALUE OF THE SCHOLARSHIP?

The EdChoice scholarship amount is currently \$4650 for grades K-8 and \$6000 for grades 9-12. EdChoice will pay either the scholarship amount or the private school's actual tuition amount, whichever is less.

WILL PARENTS/GUARDIANS HAVE TO PAY ANY AMOUNT OF MONEY?

The scholarship amount covers tuition ONLY. Parents and guardians still may have to pay registration fees, material fees and other similar types of fees. Families who qualify for low income status do not have to pay any tuition that is not covered by the scholarship. However, if the private school's tuition is higher than the EdChoice Scholarship amount and if the family does not qualify for low income status, the family may have to pay the difference.

CAN THE EDCHOICE SCHOLARSHIP BE RENEWED?

Yes, the scholarship can be renewed each year through grade 12 as long as the student:

1. Does not move to another public school district, unless the student would be assigned to an EdChoice-designated public school in the student's new district;
2. Takes all required state achievement tests; and
3. Does not have more than 20 unexcused absences for the school year.

NOTE: In addition to meeting the testing and attendance requirements, EdChoice expansion students can renew their scholarships if they continue living in Ohio and meeting the income requirements.

SHOULD PARENTS AND STUDENTS APPLY FOR AN EDCHOICE SCHOLARSHIP FIRST OR APPLY FOR ADMISSION TO A PRIVATE SCHOOL FIRST?

Parents and students should first apply for admission at the participating private school. Once the student has been accepted for enrollment at the private school, the private school will submit a scholarship application for the student through the secure online application system.

WHAT INFORMATION IS NEEDED TO APPLY FOR THE SCHOLARSHIP?

Parents must provide the private school with a copy of the student's birth certificate, a copy of current proof of address and the Scholarship Request Form to apply for the scholarship. Parents renewing their child's scholarship must provide a copy of current proof of address and the Scholarship Renewal Form.

ARE FAMILIES REQUIRED TO HAVE THEIR INCOME VERIFIED TO APPLY FOR THE SCHOLARSHIP?

Yes. The expansion scholarship is income-based. Families applying for the EdChoice "expansion" scholarship MUST have their income verified; it is not optional.

NOTE: Income verification is not required to apply for a traditional EdChoice scholarship. However, families cannot qualify for low-income status unless they have their income verified by the EdChoice Scholarship Program.

WHERE CAN I FIND MORE INFORMATION?

Visit the EdChoice Web page at education.ohio.gov/edchoice or send email to edchoice@education.ohio.gov.

The Cleveland Scholarship and Tutoring Program is still available for residents of the Cleveland Municipal School District. For more information about the Cleveland program, please visit: <http://cstp.education.ohio.gov/>.

2018-2019 List of Designated Public Schools

Annually, Ohio identifies public schools whose students are eligible to receive EdChoice scholarships. The scholarship supports the tuition for a student to attend an approved private school.

The Ohio General Assembly directed the Ohio Department of Education to transition to new state tests in mathematics and English language arts in the 2015-2016 school year. As part of the transition, the legislature extended and modified a number of provisions, called safe harbor. The result is that the department will not use results from the state tests given in school years 2014-2015, 2015-2016 and 2016-2017 to identify new public schools to add to the list of EdChoice public schools. There will be no new public schools added to the EdChoice Scholarship program until the 2019-2020 school year.

The list of public school buildings with an EdChoice designation for the 2018-2019 school year remains the same as it was for the 2017-2018 school year.

Below is a list of public schools that were designated for EdChoice in February 2016. The designation occurred because the school, for at least two of the previous three school years, either:

- 1) Received a Local Report Card rating of Academic Emergency or Academic Watch for 2011-2012 and received an overall grade of "D" or "F" on the Performance Index and Value-Added progress dimension on their 2012-2013 or 2013-2014 building report card; or
- 2) Ranked in the lowest 10 percent of public school buildings by Performance Index score.

The following students are eligible to apply for an EdChoice scholarship:

- Students currently enrolled and attending EdChoice-designated public school buildings in their district of residence;
- Students currently enrolled in a community school who would otherwise be assigned to one of the EdChoice designated public school buildings;
- Students currently enrolled and attending a public school in their district of residence or a community school who would be assigned to attend one of the EdChoice-designated public school buildings for the upcoming school year;
- Students who are enrolling in an Ohio school for the first time who would be assigned to one of the EdChoice-designated public school buildings; or
- Students eligible to enter kindergarten in fall 2018 (and who will be 5 years old by Jan. 1, 2019) who would be assigned to one of the EdChoice-designated public school buildings.

Closing Schools: Students currently enrolled and attending a public school building that is closing at the end of the school year are still eligible. Incoming kindergarten students and students enrolling in Ohio schools for the first time cannot be assigned to a closed building for the 2018-2019 school year and are not eligible.

Low-Income Eligibility: Students who do not meet the preceding eligibility criteria and will be entering kindergarten, first grade, second grade, third grade, fourth grade, or fifth grade for fall 2018 may still be eligible for an EdChoice scholarship if they meet low income requirements.

Note: Families who live in the Cleveland Municipal School District are not eligible to apply for an EdChoice scholarship.
