¿QUÉ ES EL PROGRAMA DE BECAS DE OPCIÓN EDUCATIVA DE OHIO?

El Programa de becas EdChoice proporciona hasta 60,000 becas financiadas por el estado para estudiantes que asisten a edificios escolares públicos de bajo rendimiento académico. La beca se debe usar para asistir a escuelas privadas que cumplan con los requisitos para la participación en el programa.

¿CUÁNDO SE ACEPTARÁN LAS SOLICITUDES DE EDCHOICE?

El primer período para presentar la solicitud comienza el **1 de febrero y finaliza el 30 de abril de 2018**. El segundo período para presentar la solicitud comienza el 1 de julio y finaliza el 31 de julio de 2018. Las familias deben comunicarse con la escuela privada/el proveedor participante y completar el proceso de inscripción/admisión para dicha escuela. Una vez que se haya aceptado a los estudiantes para la inscripción en una escuela privada/con un proveedor participante para el período de otoño de 2018, podrán postularse para la Beca EdChoice a través de la escuela privada/el proveedor participante. Las escuelas privadas/los proveedores participantes pueden ingresar las solicitudes de beca para los estudiantes a través del sistema electrónico de solicitudes seguro.

¿QUIÉN ES ELEGIBLE PARA POSTULAR A EDCHOICE?

Los siguientes estudiantes son elegibles para postular a una beca EdChoice:

Estudiantes que actualmente asisten a una escuela pública designada en su distrito de residencia;

- Estudiantes que asisten a las escuelas públicas de sus distritos de residencia, a quienes se les asignará una de las escuelas públicas designadas para el próximo año escolar;
- Estudiantes que actualmente asisten a una escuela pública "Chárter"/comunitaria, cuya escuela asignada se encuentra en la lista de edificios designados;
- Estudiantes elegibles para ingresar al kínder en el período de otoño de 2018 (y que cumplirán 5 años antes de 1/1/2019), quienes serán asignados a una de las escuelas públicas designadas; o
- Estudiantes que se inscriben en una escuela de Ohio por primera vez, que serán asignados a una de las escuelas públicas designadas para el próximo año escolar.

Los estudiantes que NO cumplen con los criterios de elegibilidad establecidos para EdChoice, pueden ser elegibles para la beca de "extensión" EdChoice si cumplen con los siguientes requisitos:

- El estudiante ingresara al kínder - cuarto grado o iniciara el quinto grado por primera vez en el otoño de 2018;
- El estudiante no vive en el distrito dscolar Municipal de Cleveland; y
- El ingreso del hogar de la familia es igual o es inferior al 200 por ciento de la pauta Federal de pobreza.

¿CUÁL ES EL VALOR DE LA BECA?

El monto de la beca EdChoice es actualmente de \$4,650 para los grados k-8 y de \$6,000 para los grados 9-12. EdChoice pagará ya sea el monto de la beca o el monto real de la matrícula de la escuela privada, lo que sea menor.

¿LOS PADRES/TUTORES TENDRÁN QUE PAGAR ALGÚN MONTO DE DINERO?

El monto de la beca cubre SOLO la matrícula. Los padres/tutores aún deberán pagar las tarifas de inscripción, las tarifas de los materiales y otros tipos de tarifas similares. Las familias que califican para el estado de bajos ingresos no deben pagar ninguna matrícula que no esté cubierta por la beca. Sin embargo, si la matrícula de la escuela privada es superior al monto de la beca EdChoice y si la familia no califica para el estado de ingresos bajos, la familia debe pagar la diferencia.

¿SE PUEDE RENOVAR LA BECA EDCHOICE?

Sí, la beca se puede renovar cada año hasta el grado 12, siempre que el estudiante:

1. No se mude a otro distrito de escuelas públicas, salvo que el estudiante sea asignado a una escuela pública designada por EdChoice en el nuevo distrito del estudiante;
2. Haga todas las pruebas de desempeño académico estatales que se exijan; y
3. No tenga más de 20 ausencias sin justificación para el año escolar.

NOTA: Además de cumplir los requisitos sobre las pruebas y la asistencia, los estudiantes con una beca basada en ingresos EdChoice pueden renovar sus becas si continúan viviendo en Ohio y siguen cumpliendo con los requisitos de ingresos anual.

¿LOS PADRES Y LOS ESTUDIANTES DEBEN POSTULAR PRIMERO PARA UNA BECA EDCHOICE O DEBEN POSTULAR PRIMERO PARA LA ADMISIÓN A UNA ESCUELA PRIVADA?

Los padres y los alumnos deben postular primero para la admisión a la escuela privada participante. Una vez que el estudiante haya sido aceptado, la escuela privada/con el proveedor, enviara la solicitud becaria del estudiante a través del sistema electrónico de solicitudes seguro.

¿QUÉ INFORMACIÓN SE NECESITA PARA POSTULAR A LA BECA?

Los padres deben proporcionarle a la escuela privada/al proveedor una copia del acta de nacimiento del estudiante, verificación de domicilio y el Formulario de solicitud de beca para postular a la beca. Los padres que renuevan la beca de sus hijos deben proporcionar verificación de domicilio actual y el Formulario de renovación.

¿SE EXIGE A LAS FAMILIAS LA VERIFICACIÓN DE SUS INGRESOS PARA POSTULAR A LA BECA?

Sí, para aplicar a la beca basada en ingresos. La forma de verificación de Ingresos es obligatoria para familias que desean aplicar para la beca de 'ampliación' EdChoice.

NOTA: No se exige la verificación de ingresos para postular a la beca EdChoice tradicional. Sin embargo, las familias no pueden calificar para el estado de bajos ingresos, sin que el Programa de becas EdChoice verifique sus ingresos.

2018-2019 List of Designated Public Schools

Annually, Ohio identifies public schools whose students are eligible to receive EdChoice scholarships. The scholarship supports the tuition for a student to attend an approved private school.

The Ohio General Assembly directed the Ohio Department of Education to transition to new state tests in mathematics and English language arts in the 2015-2016 school year. As part of the transition, the legislature extended and modified a number of provisions, called safe harbor. The result is that the department will not use results from the state tests given in school years 2014-2015, 2015-2016 and 2016-2017 to identify new public schools to add to the list of EdChoice public schools. There will be no new public schools added to the EdChoice Scholarship program until the 2019-2020 school year.

The list of public school buildings with an EdChoice designation for the 2018-2019 school year remains the same as it was for the 2017-2018 school year.

Below is a list of public schools that were designated for EdChoice in February 2016. The designation occurred because the school, for at least two of the previous three school years, either:

- 1) Received a Local Report Card rating of Academic Emergency or Academic Watch for 2011-2012 and received an overall grade of "D" or "F" on the Performance Index and Value-Added progress dimension on their 2012-2013 or 2013-2014 building report card; or
- 2) Ranked in the lowest 10 percent of public school buildings by Performance Index score.

The following students are eligible to apply for an EdChoice scholarship:

- Students currently enrolled and attending EdChoice-designated public school buildings in their district of residence;
- Students currently enrolled in a community school who would otherwise be assigned to one of the EdChoice designated public school buildings;
- Students currently enrolled and attending a public school in their district of residence or a community school who would be assigned to attend one of the EdChoice-designated public school buildings for the upcoming school year;
- Students who are enrolling in an Ohio school for the first time who would be assigned to one of the EdChoice-designated public school buildings; or
- Students eligible to enter kindergarten in fall 2018 (and who will be 5 years old by Jan. 1, 2019) who would be assigned to one of the EdChoice-designated public school buildings.

Closing Schools: Students currently enrolled and attending a public school building that is closing at the end of the school year are still eligible. Incoming kindergarten students and students enrolling in Ohio schools for the first time cannot be assigned to a closed building for the 2018-2019 school year and are not eligible.

Low-Income Eligibility: Students who do not meet the preceding eligibility criteria and will be entering kindergarten, first grade, second grade, third grade, fourth grade fifth grade for fall 2018 may still be eligible for an EdChoice scholarship if they meet low income requirements.

Note: Families who live in the Cleveland Municipal School District are not eligible to apply for an EdChoice scholarship.
